THE EXPERTS OF ROMUALDO DEL BIANCO FOUNDATION PRELIMINARY REMARKS ABOUT THE GOALS OF THE FOUNDATION

MAIN CHARACTERISTICS OF THE EXPERTS' FUNCTIONS

A - The Foundation needs Experts to carry out its activity of integration among people

The Experts of the Foundation constitute the technical advisory body and carry out the following functions; They shall:

- **formulate study and research projects or other kind of proposals** with regard to the socializing, cultural and scientific activities of the Foundation, always in line with its philosophy of integration among different cultures without any competition, in the respect of each identity
- **express their suggestions and proposals** with regard to the socializing, cultural, scientific and educational activities of the Foundation and the initiatives and events to be embarked upon;
- **actively operate to form the local Committee of Experts** in their own town and country, by appointing a representative of the Committee (the Chairman) and suggesting other Experts in other fields or town and/or collaborators for the Foundation as well
- contribute to **promote the knowledge of the Foundation** and its activity in his University/Institution, to foster the relationships with the other local Universities, Academies and Public Authorities;
- express opinions and reports about the results of initiatives already implemented;
- suggest new potential places in their town and country where carry out the activity of integration of the Foundation, promoting the involvement of local Public Authorities and Universities

The Experts of the Foundation are chosen and appointed from amongst European and Asian scholars and leading personalities of recognised authority and competence in the field of culture, science and art, as well as from amongst experts who may give a contribution to the realisation of the Foundation's objectives.

It is a voluntary activity, in the name of the international friendship and co-operation, so it doesn't request much time and it is aimed to propose new occasions for young people to meet each other, coming from different Countries and Culture, to make them awake to the themes of international integration and peace.

Thus Experts of the Foundation are, first of all, people who deeply share together with the Foundation the principles of socialisation, international co-operation, of youth education to the integration and friendship among different culture, of tolerance and peace.

B - EXPERTS from each Country, and each City in different Cultural Fields

The Experts are:

- voluntary consultant;
- Professors, Scholars and Academician from the Academic world with whom the Foundation has, first of all, a personal friendly relationship, after a period of mutual acquaintance and co-operation
- member of a wider network of Experts in several countries and cultural fields, where it is possible to share and exchange knowledge, connections, initiatives, co-operation, all in the name of the international integration, co-operation and friendship

C - To become an Expert of the Romualdo Del Bianco Foundation

- is needed a formal letter of presentation with relevant references from at least 2 persons already Experts of the Foundation or in a position of high consideration in the Foundation,
- is needed the filling in of the relevant **Application Form** (here below) and the Curriculum Vitae;
- is needed a formal approval of the Board of Director of the Foundation (which usually is held on March and November)

D – The Organisation of the Experts

Each Experts is distinguished for an own cultural/scientific field of knowledge and are grouped in City Committees, where a representative (Chairman) is appointed: City Committees Chairmen, then, the City Chairmen choose the National Representative, during the annual Round Table of the Experts (held by the Foundation in Florence each February/March).
